Concord Freight System

# About us

## Concord Freight System (CFS)

Founded in 2009, CFS is an integrated logistics company registered as a Non-Vessel Operating Common Carrier (NVOCC) with the Ministry of Communication of the People's Republic of China (MOC), registration number 05104. We provide specialized solutions across a variety of sectors, including Material Handling, Energy Production, Retail & Consumer Goods, Foodstuff, Medical & Pharmaceutical, and Automotive. Our global presence, with offices in key markets, allows us to source the best supply chain services at the most competitive prices, positioning us as a leading full-service provider in the Pacific corridor.

## Four Season Logistics Corporation (FSL)

FSL is a Non-Vessel Operating Common Carrier (NVOCC) registered with the U.S. Federal Maritime Commission (FMC), license number 024974N. We issue our own sea waybills, enabling greater control and flexibility in managing ocean shipments. This allows us to provide tailored logistics solutions to meet the unique needs of our clients.

*Mission*

Being dedicated to assist customers in acquiring and maintaining competitiveness in supply chain, as well as pursuing both material and spiritual fortune for our employees.
